

Conservation Committee

Term: 1 Year

Member Term: 1 Year

Meetings: The Committee will meet once a month, meetings to be held in public at the Town Office.

Members: The Committee will be assigned a Chairperson that will facilitate all meetings and give direction to the group. The Chairperson will, when needed, report to the Board of Selectmen concerning the status of the Conservation Committee. It is the responsibility of the Chairperson to make sure the committee at all times is following the guidelines given below:

Number of Members: Seven individuals will be assigned to this Committee for the terms outlined above.

Purpose: The purpose of the conservation Committee is to protect the natural resources in our community by educating the public about the value of these resources.

Therefore the sole purpose of the Conservation Committee is educating the public on environmental issues.

Budget: At this time the committee has no budget due to the fact that the town's people have not approved one. It will be the responsibility solely of the Chairperson to put in writing and appear in front of the Finance Committee for a budget request if one is to be requested. Then at the Annual Town Meeting, it will be voted on by the people.

Resource for purpose of Committee: Comprehensive Plan that was approved by the voters.
