

Committee / Board Ethics Policy

Purpose:

To comply with State of Maine's, "Freedom of Access Act".

Policy:

No Board/Committee business will be conducted outside the context of a duly noticed public meeting of the Board/Committee. This is a direct violation of Maine's "Freedom of Access Act".

Scope:

This applies to ALL Municipal Boards, Elected or Appointed. No member of Board/Committee will have discussion with other Board/Committee members outside the public meeting. Discussion concerning the Boards/Committee's business with individuals (non board/committee members) is also not acceptable.

Accountability:

Each Board/Committee member is responsible for adhering to this policy. Violation of policy could, but is not limited to, removal from Board/Committee.

10/19/05

I have read the above policy and agree to abide by the standards set by the Board of Selectmen.
