TOWN OF OTISFIELD BEACH, TRANSFER STATION AND BULKY WASTE STICKER ISSUANCE POLICY

All Taxpayers of the Town of Otisfield are entitled to 2 stickers at no charge, one sticker per vehicle. The sticker allows entrance to the Transfer Station, the private beach on Pleasant Lake and the Casco Naples Bulky Waste facility. Any additional stickers are \$5.00 each, up to a maximum of 4 stickers per family. If further stickers are needed for visitors, guests or family members, they will be issued temporary paper passes at no charge. All commercial/business vehicles will be issued temporary paper passes on an as needed basis. All stickers issued will be listed the taxpayer's real estate account and are recorded and monitored by both waste stations. A current vehicle registration is required for each, and stickers are only available at the Town Office. Rentals require a note from the property owner and will be issued a temporary paper pass.

Bulky waste disposal amounts are reported to the Town of Otisfield on a monthly basis by license plate. The attendants at the Casco Naples Bulky Waste Facility may charge anyone with an invalid sticker or questionable waste the cost of disposal.

Please read the attached information on our recycling compactor located at the Otisfield Transfer Station to familiarize yourself with what is recycled and what is not. It is very important to only throw recyclables into the recycling container. If you have any questions about what is recyclable please ask our Transfer Station attendant or go to our website www.otisfieldme.gov for more information. The Otisfield Transfer Station is under surveillance and license plates are recorded.
