Androscoggin Valley Council of Governments  
125 Manley Road, Auburn, ME 04210

Hosted by: City of Lewiston

Operated by: Environmental Projects, Inc.

Construction of the Environmental Depot was made possible through a grant from the Maine State Planning Office

**Opening Day**  
**May 18, 2019**

## Household Hazardous Waste (HHW) Facility

**May - October 2019**

**424 River Road, Lewiston**

**\*Open 3rd Saturday: May-October**

**8 a.m. –11:45 a.m.**

**5/18, 6/15, 7/20, 8/17, 9/21, 10/19**

Bring your household hazardous waste to the Environmental Depot. This brochure will provide you with details and instructions on how to dispose of this waste in an easy and environmentally friendly manner. If disposed of improperly, household hazardous wastes have the potential to contaminate the environment.

For your safety and the safety of others, **smoking is prohibited** in or near the HHW Facility-this includes in your vehicle.

# Western Maine Environmental Depot

## What products should I bring to the Collection?

Look for the words: Caution, Warning, Poison, Corrosive, Toxic, Volatile, Flammable or Danger on the label.

## How Do I Dispose of Hazardous Waste?

- ♦ What is a unit? One unit equals up to 5 gallons of liquid waste or up to 20 pounds of dry waste or a combination.)
- ♦ Residents from participating municipalities are not charged.
- ♦ Residents from non-participating towns are subject to a per unit fee and must pay the contractor in cash or by check. **(\$35.00 per unit)**
- ♦ Keep hazardous waste in original container **DO NOT MIX**. If leaking wrap in plastic bag and place in a separate box.
- ♦ Place materials in a secure box.
- ♦ Place secured box in trunk or truck bed.
- ♦ Remain in your vehicle.

<i>Explosives/Ammunition - Check with local police</i>	

## Alternatives to Household Hazardous Waste Chemicals

<b>General purpose cleaner</b>	¼ cup borax, ¼ cup white vinegar, 2 gallons hot water. Stir to dissolve. Use mop or sponge to clean. Alternative products: Murphy's Oil Soap or Citra-Solv.
<b>Scouring powder</b>	1 cup baking soda mixed with ¼ cup borax. Dampen sponge and scoop up mixture. Rub on surface. Let "rest" then rinse well. Alternative product - Bon Ami.
<b>Paint thinner</b>	Let paint particles settle, then pour off clear liquid and reuse.
<b>Bug sprays/insecticides</b>	For gardens, use companion planting and Integrated Pest Management. Plant disease resistant seeds. Pour a line of cream of tartar, red chili pepper, paprika or dried peppermint where ants are entering the house.
<b>Insect repellent</b>	Do not wear scented products outdoors. Burn citronella candles, punk wood, or incense. Alternative product - Bite Blocker.
